### Nimue facials, peels and micro needling

#### Nimue Deep Cleanse Treatment 45min-1hour R530

Cleansing and exfoliation facial with extractions of impurities. Purifying mask to leave the skin soothed and refreshed. Does not include a facial massage to avoid over stimulation of the skin.

#### Nimue Therapeutic Treatment 50min-1 hour R490

Luxurious hands-on treatment excellent for relaxation, hydration and anti-ageing. Therapeutic facial massage included followed by a hydration/ anti-ageing mask leaving the skin calm and relaxed and restored to its natural best.

#### Nimue Bio-Active Rejuvenation Treatment

50min-1 hour R770

Active facial treatment including bio-active products to assist in deep penetration of the skin. Suitable for all skin types except very sensitive skin. Focuses on environmentally damaged, hyperpigmentation as well as problematic skin and excellent for anti-ageing. Mask included in facial, no facial massage to avoid overstimulation. Client needs to be on Nimue products for at least 2-4 weeks in order to receive this active facial.

#### 35% Glycolic Treatment

45min-1hour R820

This active time dependent peel has hydrating and deep exfoliation benefits improving the texture and appearance of the skin. Alginate mask included but no facial massage due to over stimulation. Client needs to be on phase 1 and 2 homecare before receiving this peel.

#### 7.5% TCA Treatment

1hour R920

This active layer dependent peel in combination with bio-active complex provides a deeper exfoliation resulting in a radiant, smooth texture and lightening of pigmentation. No massage or mask is included in order to enhance the exfoliation process. Client needs to be on phase 1 and 2 homecare before receiving this peel.

### Microneedling Treatment

45min-1hour

Roller R770 once off for 6 treatments R980 per treatment.

Skin rejuvenation treatment where the body's natural wound healing process is stimulated and collagen production is induced. The roller creates micro-channels in the skin to enhance penetration of active ingredients.

### Thermal Detox Treatment

30min R540

4-in-1 flash treatment/ lunchtime peel has the benefits of a deep cleanse, detoxification, oxygenation as well as exfoliation. Clients do not have to be on Nimue in order to receive this peel.

### Smart resurfacer

30min-45min R1120

Nimue's strongest oil based peel. It uses a Tetra enzymatic exfoliating system for an intense skin exfoliation and renewal resulting in refinement and softening of the skin texture, reducing fine lines and wrinkles and improve appearance of hyperpigmentation.
